### Guidelines for mammograms

It is recommended for women 35 years and older.

If it has been at least one year since your last mammogram.

The mobile unit is designed for routine screenings only. If you have any breast problems, please consult your physician

It is required to register before the event & 2 forms of identification will need to be provided at time of service. One should be a picture ID and the other a form of correspondence that includes your name and address

Please call **817-838-4889** to register and make your appointment or to obtain more information.

Do not wait! Remember, the best protection is early detection.
